

AMENDED IN ASSEMBLY JUNE 11, 2002
AMENDED IN SENATE JANUARY 23, 2002

SENATE BILL

No. 994

Introduced by Senator Morrow

February 23, 2001

An act to amend and repeal Section 115800 of the Health and Safety Code, relating to liability.

LEGISLATIVE COUNSEL'S DIGEST

SB 994, as amended, Morrow. Liability: public skateboard parks.

Existing law, in effect until January 1, 2003, provides that skateboarding at a public skateboard park that is constructed after January 1, 1998, is a hazardous recreational activity if the person skateboarding is 14 years of age or older, the skateboarding activity is stunt, trick, or luge skateboarding, and the skateboard park is on public property, as specified. That law, also in effect until January 1, 2003, requires local public agencies to maintain a record of all known or reported injuries incurred by skateboarders in a public skateboard park or facility, and other information regarding these incidents, as specified, and requires that copies of those records be filed annually with the Judicial Council which is required to submit a report to the Legislature by March 31, 2000, on these incidents, including claims arising therefrom.

This bill would extend, until January 1, 2008, the operation of these provisions and would require the Judicial Council to submit a report to the Legislature on or before March 31, 2007, on the incidents reported by local agencies. By extending the date for recordkeeping duties on

local public agencies, the bill would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:
